E4A

ESPECIALLY FOR ATHLETES

Beginning with the 2023 Fall State Cup, UYSA is introducing new E4A Captains armbands for all teams.

These armbands are to promote E4A (Especially For Athletes), an organization dedicated to inspire athletes to maximize their athletic potential and use their talents/social influence to assist and lift others. These armbands are intended to serve as a reminder and promote good sportsmanship both on and off the field. We hope each team will embrace these armbands and wear them with a sense of honor and pride.

All Captains will be expected to wear these armbands during the tournament. Referees will be verifying during check-ins.

**Visit Real Salt Lake at our
Vendor Village October 21st**

**Visit with Leo the Lion on
October 21st from 11:30-12:30!**
