

PLANNING MEETING, JUNE 1993

I believe that these planning meetings are one of the most progressive moves to develop a better U.Y.S.A. I believe that each meeting has been more productive than the year before. This is the third annual meeting and it is our hope that it has evolved to the most productive and accomplish the most.

In the Strategic Planning Meeting held, June 1993, new programs were discussed from ideas that would like to be introduced to ideas/programs that were currently being tried.

Some of the ideas/programs discussed:

<i>New phone system for office</i>	<i>Small sided games</i>
<i>Move office to large space</i>	<i>ODP program</i>
<i>Sponsorship</i>	<i>Technical Committee Plans</i>
<i>Additional office needs</i>	<i>Summer Camps</i>
<i>Formal roster for recreation</i>	<i>State Cup</i>
