## LEGACY FIELDS PROJECT

Utah youth sports programs throughout the state are losing access to fields as cities, school districts, and other field operators are faced with a scarce supply of land and increasing demand. Legacy Fields Project is a major initiative designed to be a long-term solution to this consistent and growing issue in Utah.

### How it Works

- Every competition player within UYSA pays an annual fee of \$40
- Fees are only to be used for field development in the region in which they are collected
- The funds, along with grants and donations, are used to develop and maintain new fields throughout the state for the long-term

## ABOUT SHIWITS PROJECT

The Shivwits Band and UYSA have agreed to a 25-year lease agreement for the complex to ensure its perpetual existence and many years of cooperative efforts by the Band and UYSA to benefit local youth. While UYSA's Region 6 (Fillmore, UT to Mesquite, NV) will have priority for usage during Spring and Fall soccer seasons. Region 6 membership will also have priority to utilize the complex for tournaments and other programming. Rental fees for events at the complex will be split between The Shivwits Band and Region 6 and will provide the tribe with an additional revenue source. The Shivwits Band will also utilize the complex for its own gatherings and events. The Shivwits Band will provide water from the Gunlock watershed for the facility and UYSA's Region 6 will be responsible for maintenance and operations.

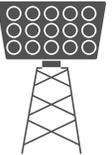

## REGION VI COMMUNITY IMPACT

- 19 Acres | 4 Fields | Countless Sporting Events, Concerts, Artistic Gatherings, & More
- Areas Served: Washington County, Utah, Iron County, Utah, & Mesquite, Nevada
- More than 1,800 matches to be played at the Legacy Fields Shivwits Facility annually which brings 23,400 people to the facility a year
- Currently 9 UYSA Sanctioned/Hosted Tournaments & Events equating to more than 50,000 people in attendance.

## GET INVOLVED

with The Shivwits Band of Paiutes Project

### LIGHT UP THE PITCH

UYSA & The Legacy Fields Committee have raised enough funds to move forward with the project at Shivwits - with the exception of lights at the complex.

- UYSA will be providing an opportunity for individuals and corporations to help raise funds through a brick buying initiative at the complex.
- Lights at the complex would allow for an additional 400 matches played annually.
- Approximately \$160k is needed to light one field

## CONTRIBUTION LEVELS

### Grassroots

**\$50 - \$1,000 Commitment**

Brick buying campaign for individuals/corporations

### Recreation

**\$10,000 - \$20,000 Commitment**

Plaque at complex headquarters
