## PROFESSIONAL EXPERIENCE

### UYSA, Region 1 director

I have had 2 years experience as Region 1 Director for Utah Youth Soccer Association (UYSA). I have been on several Adjudication Committees and helped with the Legacy Fields Committee as needed. I have enjoyed the Adjudication Committees as it has allowed me to follow and understand UYSA policies and procedures in more depth. Understanding this has helped me to be a better ambassador to UYSA as a director and a better communicator with our MO's in the region.

### Coaching teams, Logan ut

I have coached for BE United, South Cache, and Aggies FC. The only club in Region 1 that I have not coached for is NUU. I have Built great relationships with those at NUU and discussed coaching with them in the future. Building these relationships helps deepen myself into the soccer community in Region 1, while allowing me to be a trusted ambassador to each individual club in our region.
